

Port of Seattle-Tacoma

Bringing **customized, flexible** and **scalable** to your retail fulfillment and distribution needs.

WHY WDS?

303,866 SQUARE FEET
ALL THE POSSIBILITIES

Capacity & Flexibility

Meet fluctuating demands, distribute your products to major retailers or directly to consumers. Our flexible distribution centers were built with you in mind and scale to meet your needs, no matter the season.

See More With Data

Get real-time visibility into your inventory, orders, and shipments. Whether you need an email report or a full system integration, we're on it!

Partnering for Growth

Speed up deliveries, cut logistics costs, and improve customer satisfaction when you work with supply chain experts who help optimize your distribution strategy to grow your business.

Access to Suit You

Our facility is strategically located just 14 miles from the Port of Tacoma container terminals and rail yards for reduced port drayage costs and quick transportation across the nation. And if you're in need of drayage services, we've got you covered with our local fleet and nationwide trucking network.
